

Cargo Descriptions for Question 5 of heavy goods vehicle RSI Survey

Q5 What type of goods are you transporting today? TICK ONE BOX ONLY

Agricultural products & Live animals	<input type="checkbox"/>	1	Ores and mineral waste	<input type="checkbox"/>	5	Chemicals	<input type="checkbox"/>	9
Food stuffs and animal fodder	<input type="checkbox"/>	2	Metal products	<input type="checkbox"/>	6	Machinery, transport equipment	<input type="checkbox"/>	10
Solid mineral fuels	<input type="checkbox"/>	3	Minerals & building materials	<input type="checkbox"/>	7	Leather & textiles, other manufactured articles	<input type="checkbox"/>	11
Petroleum products	<input type="checkbox"/>	4	Fertilisers	<input type="checkbox"/>	8	Miscellaneous	<input type="checkbox"/>	12

1. Agricultural products and live animals

A - Live animals

B – Cereals and fresh or frozen fruit and vegetables

Wheat, spelt
Barley, Rye, Oats, Maize, Rice and other cereals
Fruit, vegetables and nuts
Potatoes
Sugar Beet

C – Textiles, textile articles and man-made fibres

Wool and other animal hair and cotton
Silk, flax, jute, true hemp and other vegetable textile materials
Rags and waste of textile materials

D - Wood and cork

Paper pulp wood, pit-props and other wood
Railway or tramway sleepers and other wood roughly squared, half squared or sawn
Fuel wood, wood charcoal, wood waste, cork unworked, waste cork

E - Other raw animal and vegetable materials

Raw hides and skins, raw furskins, waste
Rubber, natural and synthetic, raw or reclaimed
Other non-edible raw vegetable and animal materials

2. Food stuffs and animal fodder

A – Sugars / molasses

B – Beverages

Wine, beer and other alcoholic and non-alcoholic beverages

C - Stimulants and spices

Coffee, cocoa, chocolate, tea, spices

Tobacco

Glucose, dextrose, other sugars, sugar confectionery, honey, food preparations

D - Perishable foodstuffs

Meat, fresh, chilled or frozen

Fish, crustaceans and molluscs

Milk, cream, butter, cheese, margarine, lard, edible fats, eggs and other dairy produce

Meat, dried, salted, smoked, prepared or preserved meat

E - Other non-perishable foodstuffs and hops

Flour, cereal meal and

Malt and hops

Other cereal preparations

Fruit, frozen, dried, dehydrated, prepared and preserved fruit

Dried vegetables

Prepared and preserved vegetables

F - Animal food and foodstuff waste

Cereal straw, hay and husks

Oil-cake and residues resulting from the extraction of vegetable oils

Bran, cereal by-products and other animal food

Waste from the food industries

G - Oil seeds and oleaginous fruit and fats

Oilseed fats, oil-nuts and oil kernels

Animal and vegetable fats and oils and products derived therefrom

3. Solid mineral fuels

A – Coal, Lignite, peat and coke

4. Petroleum products

A - Petroleum

Crude petroleum and fuel derivatives

Motor spirit, kerosene, jet fuel, white spirit, distillate fuels and residual fuel oils

B - Gaseous hydrocarbons, liquid or compressed

C - Non-fuel derivatives

Lubricating oils and greases, petroleum bitumen and bituminous mixtures

Other non-fuel petroleum derivatives

5. Ores and metal waste

A – Iron ores, other ores and waste

Iron, copper manganese ore, bauxite and concentrates and other ores and concentrates

Ores and metal waste and blast-furnace dust

6. Metal products

A – Iron, steel and other metal products

Iron, steel, and alloys thereof (Pipes, bars sheets, track, tubes, wire etc)

Copper, Aluminium, Lead, zinc, and alloys thereof (Pipes, bars sheets, track, tubes, wire etc)

7. Crude and manufactured minerals and building materials

A - Sand, gravel, clay and slag

Sand and gravel

Pumice stone, clay, slag, ash, dross

B - Salt, iron pyrites, sulphur

Salt, crude or refined

Iron pyrites and sulphur

C - Other stone earths and minerals

Crushed or broken stone, pebbles, macadam, tarred macadam

Building and monumental stone, calcareous stone for industrial purposes and chalk

Other crude minerals

D - Cement lime

E - Plasters

F - Other manufactured building materials

Pumice stone agglomerates, concrete, cement and similar building materials

Bricks, roofing tiles and other ceramic building materials, refractory building materials

8. Fertilisers

A - Natural fertilizers

Sodium nitrate, Phosphates, potassium salts and other natural fertilizers

B - Chemical fertilisers

Slag, phosphatic, potassic, nitrogenous, composite and other manufactured fertilizers

9. Chemicals

A – Basic Chemicals

Sulphuric acid, oleum, caustic soda and soda lye, sodium carbonate, calcium carbide and other basic chemicals

B - Aluminium oxide and hydroxide

C – Coal chemicals

Benzole, pitch, mineral tar and other crude chemical derivatives from coal and natural gas

D - Paper pulp and waste paper

E - Other chemical products

Plastic materials, Dyeing, tanning and colouring materials

Medicinal and pharmaceutical products

Perfumery and cleansing preparations

Manufactured explosives, fireworks and other pyrotechnic articles, sporting ammunition

Starches and gluten

Other chemical products and preparations

10. Machinery, transport equipment and electrical and non-electrical machines

A - Transport equipment

Transport equipment, whether or not assembled, parts thereof
Tractors, agricultural machinery and equipment

B - Other machinery apparatus and appliances, engines, parts thereof

Electrical and non electrical machinery, and apparatus, and appliances, engines, parts thereof

11 - Leather, textiles, clothing and other manufactured articles

A - Manufactures of material

B - Leather, textiles and clothing

Leather, manufactures of leather and raw hide and skins
Textile yarn, fabrics, made-up articles and related products
Travel goods, clothing, knitted and crocheted goods, footwear

C - Paper, paperboard and paper matter

D - Furniture

E - Glass, glassware, ceramic products, pottery and other manufactures of minerals

Semi-finished products and manufactured articles of rubber
Wood and cork manufactured articles

F - Other manufactured articles not classified above

12. Miscellaneous articles

A - Miscellaneous articles

Fairground vehicles and equipment
Removal equipment
Packing containers
Gold, coins, medals

B - Arms and ammunition, military

C - Other
